SUMMARY

Bachelor of Information Technology (Hons.) student seeking a 14-week internship placement from 15 March to 18 June 2027. I have developed knowledge and practical skills in software development, database management, mobile application development, and problem-solving through academic coursework and projects. I am eager to apply my knowledge in a professional working environment, gain hands-on experience, and further develop my technical and professional skills.

EDUCATION

Bachelor of Information Technology (Hons.), CGPA: 3.68 April 2025 - Present
Universiti Teknologi MARA (UiTM), Shah Alam

- Relevant Coursework: Object-Oriented Programming, Database Management Systems, Mobile Application Development, Human-Computer Interaction, and IT Infrastructure

Diploma in Computer Science, CGPA: 3.5 Oct 2022 - March 2025
Universiti Teknologi MARA (UiTM), Segamat

- Relevant Coursework: Algorithm Design, Structured Programming, Object-Oriented Programming, Data Structures, Database Design and Development, Operating Systems, Computer Networks, and Discrete Mathematics.

WORK EXPERIENCE

Sales Assistant & Cashier — MewMarket September 2026

- Assisted customers with product enquiries and selections.
- Arranged and displayed clothing items neatly at the booth.
- Assisted with sales transactions and payment collection.

F&B Crew — Melati Chillz, UiTM Shah Alam May 2026 – June 2026

- Assisted customers and handled daily orders.
- Worked effectively in a fast-paced team environment.
- Maintained cleanliness and followed workplace procedures.

Practical Trainee – Pejabat Pendidikan Daerah Muar September 2024 - February 2025

- Assisted in administrative and IT-related tasks during practical training.
- Created a video presentation for Aplikasi i-Swasta (Ai-S), explaining its functions and application renewal process.
- Produced a video montage documenting key moments of Mini Konvensyen DTP 2024.
- Assisted with various tasks involving digital content and office operations.

TECHNICAL SKILLS

Programming & Development : Java, PHP, HTML, CSS, JavaScript
Database & Backend: Firebase, MySQL, SQL
Tools: Android Studio, Visual Studio Code, Git/GitHub, Figma, Canva
Design Tools: Figma, Canva
Technologies & Services: Google Maps API, Firebase Authentication, Firebase Cloud Messaging

SOFT SKILLS

- Teamwork
- Communication
- Time Management
- Attention to Detail

ACADEMIC PROJECTS

1. MediNear – Nearby Pharmacy Finder

Academic Project

Technologies: Java, Android Studio, Google Maps API, GPS

- Developed an Android application to help users locate nearby pharmacies.
- Integrated GPS and Google Maps API to display nearby pharmacy locations and support navigation.
- Implemented medicine image capture and local medicine reminder features.

2. Personal Shopping Wishlist System

Web Development Project

Technologies: PHP, HTML, CSS, MySQL, XAMPP

- Developed a web-based application to help users manage and organise their shopping wishlist.
- Implemented features to add, edit, delete, and view wishlist items.
- Included product details, image uploads, categories, and purchase status tracking.

3. CareGluco – Mobile Application for Glucose Monitoring and Caregiver Alerts

Final Year Project – In Development

Technologies: Java, Android Studio, Firebase

- Developing an Android application to support glucose monitoring and caregiver communication.
- Designed to allow users to record glucose readings and share information with caregivers.
- Aims to provide alert notifications when abnormal glucose readings are recorded.

ACHIEVEMENTS

Dean's List Award - 3 Semesters — April 2025 - August 2026

- Session 2 2024/2025
- Session 1 2025/2026
- Session 2 2025/2026

ACTIVITIES & PARTICIPATION

Participant – Kuala Lumpur International Invention & Innovation Symposium (KL3iS) 2025 April - July 2025

Project: AidSphere – Disaster Response Mobile Application

- Participated in an invention and innovation symposium through a group project.
- Collaborated with team members to develop and present a disaster response mobile application.

Technical Committee Member – KIK Convention 2024 October 2024

Pejabat Pendidikan Daerah Muar

- Created and edited the Aplikasi i-Swasta (Ai-S) presentation video based on feedback from officers.
- Assisted with presentation recording, timekeeping, and rehearsal preparation.
- Provided technical support during the convention to ensure smooth presentation delivery.

Cyber Security Participant - Technology Talent Exhibition (TeTa) June 2024

- Participated in hands-on cybersecurity activities involving SQL injection attack simulation and vulnerability detection.
- Used Vega Web Security Scanner to identify potential SQL injection vulnerabilities and explore defensive measures.
- Collaborated with peers and presented findings on cybersecurity threats and countermeasures.

Treasurer - Student Consumer Movement (GPS) September 2023 - September 2024

Universiti Teknologi MARA (UiTM), Segamat

- Leadership and Teamwork: Worked closely with other executive members to plan and execute program, demonstrating strong leadership and teamwork skills.
- Budget Planning: Collaborated with the executive committee to create and monitor annual budgets, aligning financial resources with the club’s strategic goals.
